WHY SWITCH TO COMCAST? THE ANSWER IS RIGHT THERE IN YOUR CURRENT BILL.

Dear Business Owner,

Take a good look at the bill you're getting from your current Internet, phone and TV provider—you're likely in for a surprise. Especially when you consider the level of service you're getting for the price you're paying.

Now take a moment to call Comcast. We're confident that our Business Class services deliver better resources at a better price—just **$99 per month**, a rate guaranteed for up to three years.

It's a great value for any growing business, and it arms you with a powerful suite of tools like **Comcast Business Class Internet**. With download speeds up to 12Mbps and uploads up to 2Mbps, you'll accomplish more in less time, taking productivity to a whole new level. Plus get collaborative software like **Microsoft Windows® SharePoint and Microsoft Outlook Email** for no additional charge.

And slash your business phone charges with **Comcast Business Class Voice**—offering unlimited local and domestic long-distance, plus a full menu of business-ready features including 3-Way Calling and Call Forwarding. All made possible by the **3rd largest home phone provider** in the U.S.

$99 per month with a minimum 1-year agreement

COMCAST BUSINESS CLASS INTERNET, VOICE AND TV.

Comcast Business Class TV delivers news, business headlines, sports and entertainment straight to your waiting area, break room or executive suite.

Your Business Class value is further enhanced by our **dedicated customer support**—answers, assistance and advice are available 24 hours a day, seven days a week, 365 days a year.

And switching couldn't be easier. We'll handle the details so you can migrate to Comcast with ease.

Call **866-679-7460** today to learn how your business can help lower costs, increase productivity and work smarter. We look forward to servicing your business needs.

Sincerely,

Jeffrey Buzzelli
Vice President, Business Services
